Subject: Clerk of Court report for tomorrow's (Fri) meeting

Hello Richland County Public Safety Committee Members,

I will be at tomorrow's (Fri) meeting to answer any questions you have and provide a verbal report to the committee regarding current events in the Circuit Court.

Please take a look at the following links. I had a hand in putting these together for Wisconsin Clerks of Court Association earlier this year. They're materials that help explain, in a nutshell, what Clerks of Court do. Please note that the first link, the video, is short. It would be really cool if it could be shared at tomorrow's (Fri) meeting so that it can be viewed by anyone observing tomorrow's meeting.

Thank you for bringing your questions about the courts to the meeting tomorrow.
